The logo features a dark teal square centered on a white background. Inside the square is a bright pink speech bubble. The words "WORK" and "EXPERIENCE" are written in white, uppercase, sans-serif font inside the speech bubble. "WORK" is on the top line and "EXPERIENCE" is on the bottom line. The entire composition is framed by a large, dark, irregular circular border that looks like a hand-drawn or ink-splattered ring.

  - Payments can be made online using Way2Pay

# Finally

Transition year is an exciting year as well as demanding.

You will get out of TY what you put in.

Students are expected to volunteer for many projects and opportunities available, which can take place both during and outside school time.

You will be expected to work with different people to develop your teamwork skills and social skills.

You will be provided with opportunities to engage in different styles of learning and different forms of assignments and homework.

Students are expected to maintain high standards of work and be responsible for their own learning.

YOU HAVE THE POWER TO  
ACHIEVE GREATNESS AND  
CREATE ANYTHING YOU  
WANT IN LIFE - BUT YOU  
MUST TAKE ACTION!

*-Jack Canfield*
